Dear Jane,

It is with great pleasure that University Park Community Council presents the enclosed check to Accelerated Schools.

Please receive this donation made in gratitude for our partnership for this year's 2018 Food Truck Rally nights, and our deep appreciation for your allowing us to host these events on your exceptional property. These events were really well received by the public, and I hope we fulfilled our promise to be good stewards of your beautiful grounds.

We are also making this donation in honor of your 125th Anniversary year. What a milestone, and what a reason to celebrate! We stand in solidarity with your stewardship of this wonderful landmark gem in University Park.

Wishing you and your staff, students and parents a wonderful 2018-2019 academic and anniversary year.

Sincerely,

A handwritten signature in cursive script that reads "Debbie".
